

INVESTMENT MANAGER PRIVATE EQUITY

F/M/D

OUR OFFER

You will become part of a motivated team and receive a performance-based remuneration as well as a share in the company, the opportunity to participate exceptionally in the company's success. We maintain an open and team-oriented working atmosphere and offer you a high degree of strategic and personal freedom and thus the opportunity to develop your business based on your own ideas.

In 2016, we founded the Navigator Group as an investment holding company under the management of Navigator Capital GmbH. We specialise in companies with increased management needs. This includes, in particular, the acquisition of medium-sized companies with operational improvement potential as well as parts of the company that do not belong to the seller's core business and succession arrangements. The need for structural adjustment is usually a common feature.

Our team of experienced transaction, financing and restructuring experts develops customised transaction structures and continuation concepts. In this way, we address the needs and fears of the seller side and work strongly towards increasing the operational success of our portfolio companies.

YOUR TASKS

- → Monitoring and reporting from the portfolio company
- → Development of well-founded and convincing continuation concepts
- → Participation in transaction processes
- Intelligent transaction structuring
- Convincing marketing of concepts to consultants and sellers
- Participation in the mainly internal due diligence reviews
- → Monitoring of the carve-out and restructuring processes after the transactions

YOUR PROFILE

- Experienced private equity manager with an entrepreneurial, controlling and salesoriented personality
- Success orientation
- Enjoying success
- → Leadership and negotiation skills
- → Hands-on analyst
- → Restructuring and operational experience as well as legal knowledge are clearly an advantage
